

The Special Travel Agent Rate – For International Travel Agents

Discounted rates are pending verification of eligibility.

To validate the Special Travel Agent Rate, you must send a letter of employment verification on company letterhead signed by the agency owner/manager via email at wdw.drc.travel.industry.validation@disney.com OR by fax to (407) 938-4468 at time booking your reservation. If the required letter is not received, reservation will not be confirmed.

You may book Walt Disney World Resort Special Travel Agent Rates for only one arrival date each calendar year.

Rates are valid for the Travel Professional and members of their immediate family (spouse/domestic partner and minor children) sharing the same room for no more than seven nights.

Only if necessary to accommodate the Travel Agent's immediate family members, a second room may be booked. The policy is the same as with Consumer. The policy is one room unless the party mix requires two rooms, 2 adults and 5 children (based on resort accommodations)
