The Injury must occur or the Sickness must begin while on a Trip, while covered under the policy.

Covered Expenses: The Insurer will pay the Insured's Reasonable and Customary Charges incurred for medical and surgical services, treatments, or supplies. The Insurer will pay emergency dental treatment only during a Trip. The treatment must be given by a Physician or dentist. The Insurer will pay for professional nursing, Hospital charges, X-ray, ambulance services, and prosthetic devices.

If the Insured is covered by any other group, blanket health, accident insurance, or assistance plan, and would, as a result, receive total benefits in excess of the expenses actually incurred, the benefits will be reduced by such excess.

Arrangements and expenses must be authorized in advance by Travel Guard.

Additional Benefit: In addition to the above Covered Expenses, if the Insurer has previously evacuated an Insured to a medical facility, the Insurer will pay his/her airfare costs from that facility to the Insured's Return Destination, within one year from the Insured's original Contracted Return Date, less refunds from the Insured's unused transportation tickets. Airfare costs will be economy, or first class if the Insured's original tickets are first class. This benefit is available only if it is not provided under another coverage in the policy.

Additional Exclusions: In addition to the General Exclusions, the Insurer also will not pay for services arranged without the Insurer's prior consent or approval. Timely notification by the Insured to the Insurer's designated provider is required, with regard to Emergency Evacuation.
