**BENEFITS PROVIDED ARE SUPPLEMENTAL AND  
ARE NOT INTENDED TO COVER ALL MEDICAL EXPENSES**

**OUTLINE OF COVERAGE**

**For complete details and benefit amounts, please read your Policy and Declarations Page.**

**This IS NOT A MEDICARE SUPPLEMENT policy. If you are eligible for Medicare review the Guide to Health Insurance for People With Medicare available from the company.**

- (1) Read Your Policy Carefully. This outline of coverage provides a very brief description of the important features of coverage. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of both you and your insurance company. It is, therefore, important that you READ YOUR POLICY CAREFULLY!
- (2) Limited benefit health coverage is designed to provide limited coverage for Insureds during a covered Trip.
- (3) Your coverage includes up to a Maximum Limit of:

\$10,000 each for the **Accident Medical Expense and Sickness Expense Benefits** shown in the Schedule. If You are injured or become sick during the Trip and require treatment by a Physician, the Company will reimburse You up to the Maximum Limit shown. The Injury or Sickness must occur and first manifest itself during the course of the Trip. The Company will pay the reasonable and customary charges incurred for medically necessary covered expenses for said Injury or Sickness within one year from the date of that Injury or Sickness provided initial treatment was received during the Trip.

This benefit covers You for:

The services of a Physician or registered nurse; hospital charges; local ambulance to or from a hospital; artificial eyes, artificial teeth or other prosthetic devices; x-rays; emergency dental treatment only during the Trip. Dental coverage does not apply if treatment or expenses are incurred after the Trip regardless of the reason. Treatment must be given by a Physician or dentist.

**Advance Payment:** If You require admission to a Hospital, arrangements will be made for advance payment if required. Hospital confinement must be certified as Medically Necessary by the attending Physician.

If You suffer one or more injuries or sicknesses on the same Trip, the maximum amount payable will not exceed the Maximum Limit shown on the Schedule.

\$20,000 for **Emergency Evacuation and Repatriation of Remains** if required due to an injury or sickness while on the Trip.

**Emergency Evacuation** - Coverage includes Reasonable and Customary Charges for necessary Transportation, related medical services and medical supplies incurred in connection with the evacuation. Transportation must be: ordered by the attending physician who must certify its necessity and that adequate medical treatment is not locally available; required by the standard regulations of the conveyance transporting You; and authorized in advance by the Company or its authorized representative. In the event Your Injury or Sickness prevents prior authorization of the Emergency Evacuation, the Company or its authorized representative must be notified as soon as reasonably possible. Coverage also includes reasonable and customary charges incurred for an escort's Transportation and accommodations if recommended in writing by an attending Physician.

Coverage is provided if: Your medical condition warrants immediate Transportation from the place where You are injured or sick to the nearest adequate licensed medical facility where appropriate medical treatment can be obtained; and after being treated at a local licensed medical facility, Your medical condition warrants transportation to Your home or adequate licensed medical facility nearest Your home to obtain further medical treatment or to recover.

Benefits are only available under Emergency Evacuation if they are not provided under elsewhere in the plan.

**Additional Benefit:**

**Return to Your Return Destination** within one year from the original Return Date from the medical facility. Coverage provides economy airfare or, same class as Your original tickets, less refunds from Your unused transportation tickets.

**Special Limitation:** In the event the Company or the Company's authorized representative could not be contacted to arrange for emergency Transportation, benefits are limited to the amount the Company would have paid had the Company or their authorized representative been contacted.
