

# Requirements for Cruise Passengers Visiting Canada

Last Updated: **October 10, 2022**

Our focus remains on creating magic for all on board while operating our ships in a responsible manner. The health and safety of our Crew Members and Guests are top of mind. While protocols may change, we are currently sailing with multiple layers of health and safety measures, considering guidance from the US Centers for Disease Control and Prevention, the World Health Organization and other medical experts. Guests can view all current requirements on our Know Before You Go overview page.

Disney Cruise Line will adhere to local laws, regulations and protocols, including those related to health and safety, in place at all homeports and ports of call. Guests should review and stay up to date with any cruise-specific requirements, restrictions or recommendations that may be in place for travel in these destinations.
