Q My group(s) is also planning to participate in Festival Disney. Can we add a Disney Performing Arts performance to our itinerary as well?

YES. But there are several things you will need to consider before adding this to your itinerary.

- Our number one goal is to give as many students as possible an opportunity to have one experience at *Walt Disney World*. Because Festival Disney occurs on peak weekends throughout the spring, your request to add an additional experience will be placed on a waiting list.
- If your group is available for performance on Monday, Tuesday or Wednesday, we may be able to waive the waiting period in some cases.
- If travel plans will not permit for a performance on Monday, Tuesday or Wednesday, the ensemble's application for a performance will automatically be placed on a waiting list and six weeks prior to the trip, the Disney Performing Arts team will determine availability for an add-on performance and notify the group.
- If a group has already been accepted for a performance and is later registering for Festival Disney, the scheduled performance will be suspended. Six weeks prior to the arrival date, if there is venue availability, the Disney Performing Arts team will work to reschedule the performance. The fee for the add-on Disney Performing Arts performance is \$26 per student, for each add-on performance. This is in addition to the Festival Disney ticket package.
- Please keep in mind that each experience for your ensemble will require 3 - 4 hours out of your day and we cannot guarantee what time of day your performance will be scheduled.
