## INSIDER TIPS

- 🍷 Pick up a Disney FASTPASS to World of Color! This nightly entertainment spectacular is NOT to be missed!
- 🍷 Get to the parks early! Generally the parks are quietest in the early hours of the morning, and later in the evening on nights when the parks are open late.
- 🍷 If your idea of immortalising your visit to the *Disneyland Resort* is having your photo taken with the one and only Mickey Mouse – then where better to have the photo taken than in Mickey's very own home! You'll find Mickey's House in Toontown towards

the rear of *Disneyland Park*! Mickey's Toontown often opens one hour later than the rest of the *Disneyland Park* (check the daily schedule for exact times), and make sure you get there early as you may get to spend some extra time with Mickey, Minnie and the gang before the rest of the crowds arrive!

- 🍷 Love the worlds of *Star Wars*? Then make sure you visit *Star Tours: The Adventures Continue* in Tomorrowland. This state of the art 3D attraction has over 50 possible story combinations for you to experience – and in 2016

– we've even added some new destinations from *Star Wars: The Force Awakens* into the mix.

- 🍷 Want to make a trip to *Disneyland Resort* even more magical? Then try to visit the resort during a holiday season! Whilst exact dates for festive events vary annually, you'll generally find the resort decked out with Halloween decorations and special attractions from mid September until late October, and then of course there's the Christmas season which traditionally commences in mid November and runs until early January.

### Plus, Don't Miss *Downtown Disney District*

So what are you in the mood for? Fun and games? Dinner? Maybe a little shopping? Or just the chance to spend some quality time with your family? Whatever you're after, the *Downtown Disney District* is the place to find it. It has something for everyone – incredible entertainment venues, outstanding restaurants and an eclectic mix of shops – plus a fun and relaxing vibe that's all its own. With free admission, you can't go wrong, no matter what you're in the mood for!
