

Welcome to the Disney Platinum Plan. If your vacation dreams require that extra special touch, then the Disney Platinum Plan was created for you. It offers you a magical combination of fun and convenience. You'll enjoy a complement of fantastic dining, recreation and entertainment options. This plan is full of possibilities!

Dining

Most of the restaurant locations in Disney Theme Parks, Disney Water Parks, *Disney Springs*™ and Disney Value, Moderate, Deluxe and Deluxe Villa Resort hotels accept the Disney Platinum Plan. A list of these locations is available on pages 3 to 6.

Number of Meals During Your Package Stay

The Disney Platinum Plan includes one (1) breakfast, lunch and dinner and two (2) snacks per person, per night of your package stay for everyone in the party ages 3 and over, beginning after check-in to your *Disney Resort* hotel. The plan also includes one (1) Rapid Fill Resort refillable drink mug per person that is valid for the length of your stay (eligible for refills at self-service beverage islands at Quick-Service locations at any *Disney Resort* hotel).

Using Your Meals

- You can redeem more than your allotted meals or snacks per night, as you wish, until your total number of meal/snack entitlements is depleted.
- All unused meals and snacks and the ability to use your Rapid Fill Resort refillable mug expire at midnight on your package reservation check-out date.
- You can also find plenty of locations where you can redeem your snacks - just look for this symbol  on the menu boards at Quick-Service restaurants, most outdoor food carts and select merchandise locations to identify what items are eligible snacks.

Certain items are not included in any dining plans such as:

- Alcoholic Beverages
- Items that are more than a single serving (such as a box of doughnuts or a jar of peanut butter)
- Items (such as popcorn or drinks) that are served in a Souvenir Container
- Items that are sold from Recreation Rental Counters
- Items that are considered Merchandise (such as Bottle Toppers, Glow Cubes and Bottle Straps)
- Special Dining Events with special menus offered at certain Table-Service locations

The Disney Platinum Plan and its components may not be redeemed for cash in whole or in part, sold separately, transferred or refunded. Theme Park admission is required for selected items/activities. Advance reservations are strongly recommended and may be required for some Table-Service restaurants participating in the Disney Platinum Plan. Some facilities, activities, tours and recreation equipment rental may require advance reservations. Use is subject to availability and the local rules and regulations of the operating area. Operating hours, menus, entertainment, Characters, participating locations, components and terms are subject to change without notice.

Disney Platinum Plan features are based on the length of your package stay at your *Disney Resort* hotel. The owners of the *Walt Disney World*® Resort shall not be liable or responsible for the non-utilization of Disney Platinum Plan components due to refurbishing, capacity, inclement weather or any other circumstance beyond their control.

Redeeming Your Meals

- Present your valid Disney Resort ID (either a *MagicBand* or card) to the server or cashier at the time a meal or snack is purchased and **specify the number of meals or snacks being redeemed** for Disney Platinum Plan Guests ages 10+ and the number of meals or snacks being redeemed for Disney Platinum Plan Guests ages 3-9.
- Guests ages 3-9 must order from a children's menu where available.
- **Gratuities are not included except at Dinner Shows, Private In-Room Dining and Cinderella's Royal Table.**
 - An additional form of payment is needed if you add a gratuity and have not provided a credit card at check-in to charge incidentals and other expenses to your room.
 - An 18% gratuity will automatically be added to your bill for parties of six or more.
 - An automatic gratuity charge may also be added to your bill for certain items you order that are not included in the Disney Platinum Plan (e.g. alcoholic beverages).
- Choosing items from a separate prix fixe menu offered at certain locations requires payment of a surcharge in addition to redeeming a meal entitlement.
- The Disney Platinum Plan is unavailable for Guests under the age of 3, but they may share from an adult plate at no charge, or a meal may be purchased from the menu. The price of the meal will be added to your bill.

Tracking Your Meals

- Your Meal usage will be tracked electronically to your reservation. The example below illustrates a party with two Guests ages 10+ and two Guests ages 3-9, who purchased a three-night/four-day dining package and are using one of their meal entitlements each:

Number of Guests in Party		Total Meals	Number of Redeemed Meals	Remaining Meals
2 Guests age 10 and over:	Meals	18	2	16
2 Guests age 3-9:	Meals	18	2	16
Total:		36	4	32

- After you dine, your party's remaining entitlements for meals will be printed on the receipt.
- You can also contact your Resort Concierge or Guest Relations at any time to obtain your remaining entitlements.

Healthy Food Options

- Disney is committed to offering a wide range of options for you and your family. We offer menu selections for all of our Guests, including children, seeking well-balanced meals, snacks and beverages as well as those with lifestyle dining requests or special dietary requests. Guests should notate any special dietary requests at the time of booking their dining reservation. Guests may also speak with a chef or manager regarding any special dietary requests upon arrival at the dining location.
