Chill out at Disney’s Typhoon Lagoon Water Park

Go against the tide at the Water Park that blows other water parks away! Because after the storm of storms blew through, it left this tropical paradise full of thrilling rides, sandy beaches and the largest inland wave pool around in its wake.

So come grab an inner tube and enjoy a splash of lazy river-style magic in Castaway Creek. Or hop aboard Crush ’n’ Gusher and get propelled through turns, drops and climbs. And that’s only the start of all the fun there is to soak up!
